

Dear Pastor Wynn and GBC,

Greetings in the Holy Name Of Our Lord Jesus Christ!

And we know that all things work together for good to them that love God. To them who are the called according to his purpose. Rom. 8:28

I thank the Almighty God for His faithfulness in keeping us here in Babatngon. We know that it is hard to have a Sunday and Wednesday worship because of COVID19. But I thank the Lord because last August He allowed us to worship Him in the church. Most of the members here were present to listen, to enjoy the fellowship and to be encourage by the preaching of the gospel of Jesus Christ.

I thank God also for allowing us to visit San Miguel. We visited every friends and every members in San Miguel but we were not allowed to have a worship service there because our church was near where the people were quarantine. Instead we do house worship and Bible study in San Miguel.

Last September the Mayor of Babatngon forbid all kinds of gathering until now because of COVID19 and some here were infected. But we praise God because Pastor Glenn Benfield preaches the word of God faithfully through internet.

Our members also in San Miguel warn us not to go there also because of COVID19. Praise God because this October we are safe to travel there to minister the Word of God there.

I thank God greatly for Grace Baptist Church and Pastor Howard Wynn for your faithful support.

In Christ,
Jeremy B. Celestial Jr.
