

Dear Pastor and Church,

July 8, 2020

“The God who is holding the universe is the one holding you.” - Our Daily Bread

To God be the glory great things He hath done! Despite of what is happening to the world today, we all know that our Sovereign God has His purpose. Therefore, ". . . all things work together for good to them that love God, to them who are the called according to His purpose."

It's almost four months had past already since the church services was stopped due to the pandemic we are in right now. But thanks be to God still, for His unending love, mercy and grace to us, church. His promises are all true in keeping us protected away from the virus and in keeping us provided from hunger. He never fails to meet our needs even in this circumstances. It reminds us, that God will always be greater than anything including this virus.

Thanks be to our Almighty God also, for keeping our community safe, secure and clear from any cases of COVID-19. He is been so faithful in listening and answering our humble prayers. As church, we couldn't ask for more. His protection and provision given everyday is more than enough. "Blessed be the Lord, who daily loadeth us with benefits, . . ." Psalm 68:19

I truly believe that whatever you asketh of Him, He shall giveth to you according to His perfect will. "Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." Jeremiah 33:3

Last week of May 2020, God has answered one of our prayers. It is a prayer that every Christians is longing for. An answered prayer of having church services again. To God be the glory!

What a blessing it is to know a Sovereign God who is in control of everything!

The Municipality gave us permission in holding church services with proper protocols and strictly following the guidelines. And part of the command, 21- 59 years old only are allowed to participate to the said services. But still, we are more than happy to be back in church. Since last Sunday of May till this month of July 2020, we are now able to have our "New Normal" church gatherings every Wednesdays and Sundays. And also, we are privilege to have the

opportunity on visiting and discipling our Young People every Friday. But due to the strict protocols, the discipleship lesson with the Young People is divided into two. Sir Ruel Bagadiong handle four of my young people which is very convenient to him and I do take responsibility for the remaining YP's.

And now, looking forward for our upcoming 22nd Church Anniversarry this last Sunday of July 2020. To God be the glory! Praying for the victory on that day.

But truly, all things work together for good, God is good all the time! In this situation, Only God whom we can trust and rely on. People are looking and pointing for someone to blame but they don't come to the point of realizing that ourselves, personally is the problem. God is always good! Praying that God may stop this virus according to His will, and through this situation, people may humble themselves and come to realize that they need God.

Praying for you, Pastor and your Church. May God's will be done. Thank you also for your prayer and financial support. May the Lord also continue to used you and blessed you more.

In Christ,

Nelson Dalina
