

BIBLE BAPTIST CHURCH MISSION LLORENTE

Barangay 12, Tagalag, Llorente Eastern Samar

October 5, 2020

Dear Pastor Wynn and GBC Family,

Greetings to the precious name of the Lord Jesus Christ!!

"[2]Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ.[3] I thank God upon every remembrance of you,[4]Always in every prayer of mine for you all making request with joy,[5]For your fellowship in the gospel from the first day until now;" (Philippians 1:2-5)

The Scripture reference on top is one of the reason why we became a partners in the work of Bible Baptist Church Llorente Mission. That's why I am so much thankful to God because He continues to use GBC to help us and to be a partner with us in this Mission. Purposely for the furtherance of the gospel. Thank you church for your genuine help and love to the labourer of God.

My honor to give an update concerning to our mission here in Llorente:

First of all, in the month of July 2020, we met three young men from the Brngy. Canduros. These three men was namely: John Mark Abendanio, Remart Guian, and Gerry Bani. I shared the gospel of the Lord Jesus Christ to them and by the grace of God they accept Christ as their personal Saviour. And after a month they were continually coming to the church Sunday services. August 2, 2020 that is the first Sunday of that month, John Mark Abendanio was baptized, and followed by Remart Guian, and soon later, in the following month that was September 13, 2020, Gerry Bani also followed the first step of obedience. And now they were became our new members in Bible Baptist Church Llorente Mission. The precious blessing to the months of August to September, God was added to us three brave new young men to the church. And it is my pleasure to see them now that they were growing little by little and they are faithful to come every worship service. To God be the glory greatings He hath done!. Please help us to pray for their continues spiritual growth and someday that they will become more faithful members to the church of Christ.

Secondly, it was a blessing for me to see JM Borac, and Alexander Calzado the newly members in the church that they are now able to do their responsibilities to the church. They are now handling the Sunday school children ministry, and extension classes. And again it is my joy to see them that they are growing spiritually, and that is my joy to guide, and instruct them to make their life dependent upon the Word of God.

I know, there's a lot of trials while we are serving the Lord but that is not our job to focus too much to these problems because our real responsibility is to take care the church of Christ here in Llorente. We have so much of things to do here in the ministry of Llorente. But by the grace of God most of our new

young people are continuously growing spiritually and willingly to help with us in the ministry of God. To God be the glory!!

Thirdly, Llorente is open now for visitation. So, the extension classes. and visitation was resumed. The soul winning activity every Saturday are proceeding now, followed by our Bible study into a different areas of Llorente. We are also conducting some Bible studies to the three different families in different areas. And except from family Bible studies, we also conducting Bible studies in Brngy Soong, to some young people (Ryzza, May Joy, Hannah, and the others). And the good new is, they are now starting to visit our church. Please! pray for their spiritual understanding.

Thank you Pastor and Church for your faithfulness to the Lord ministry. Thank you as a channel of blessings to us. Thank you so much for your prayers and financial support. May the Lord God bless you all for your labour of love.
